

### Direction to hotel and venue

You will likely arrive to Rome from Fiumicino airport or Ciampino Airport.

From Fiumicino, you should take the “Leonardo Express” train (not that express) to Termini station, the central station of Rome.

From Ciampino, there are a series of bus services to Termini, or you can also get a shuttle to Anagnina metro stop and reach Termini station from there.

Unless otherwise agreed, you will be staying at **Hotel Nizza**

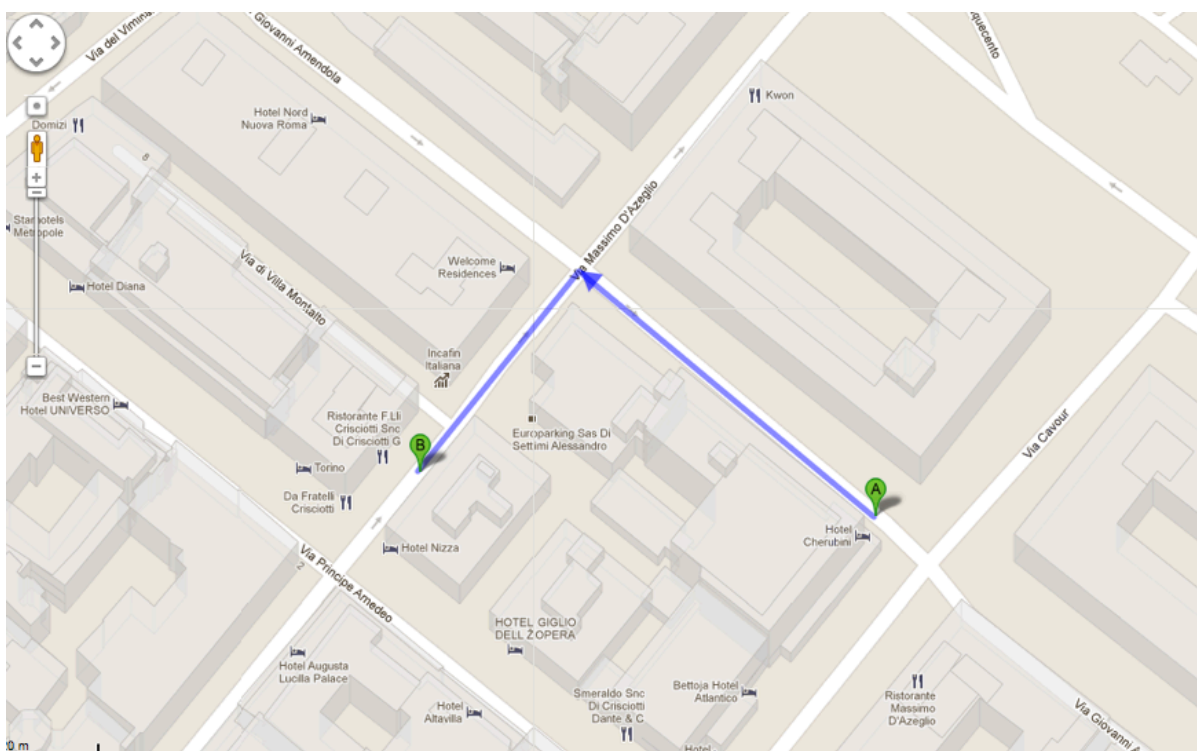

Via Massimo D’Azeglio, n.16
